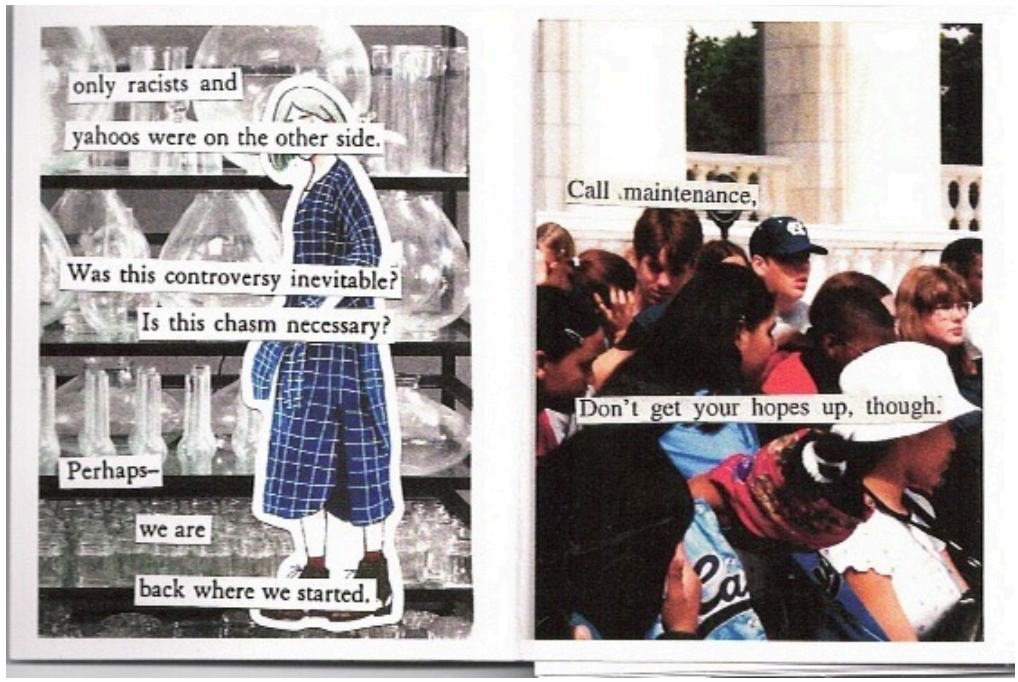
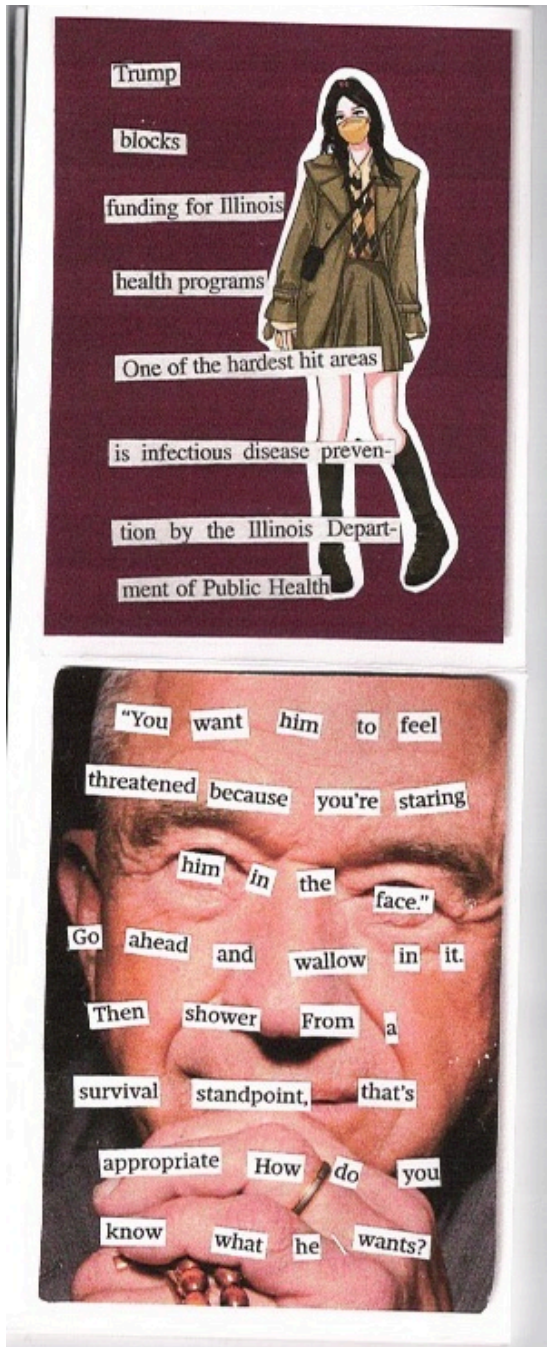
A new way of life?
became necessary in the United States.
like you accept no responsibility.
controversy close
to home.
Those days will be the test.



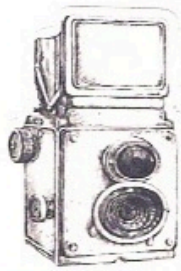
only racists and
yahoos were on the other side.
Was this controversy inevitable?
Is this chasm necessary?
Perhaps–
we are
back where we started.
Call maintenance,
Don't get your hopes up, though.



Trump
blocks
funding for Illinois
health programs
One of the hardest hit areas
is infectious disease preven-
tion by the Illinois Depart-
ment of Public Health
"You want him to feel
threatened because you're staring
him in the face."
Go ahead and wallow in it.
Then shower From a
survival standpoint, that's
appropriate How do you
know what he wants?

a message to the American people.

this ragged, decomposing camera bag,



It is so embarrassing. a travesty,

unacceptable, unmaintained

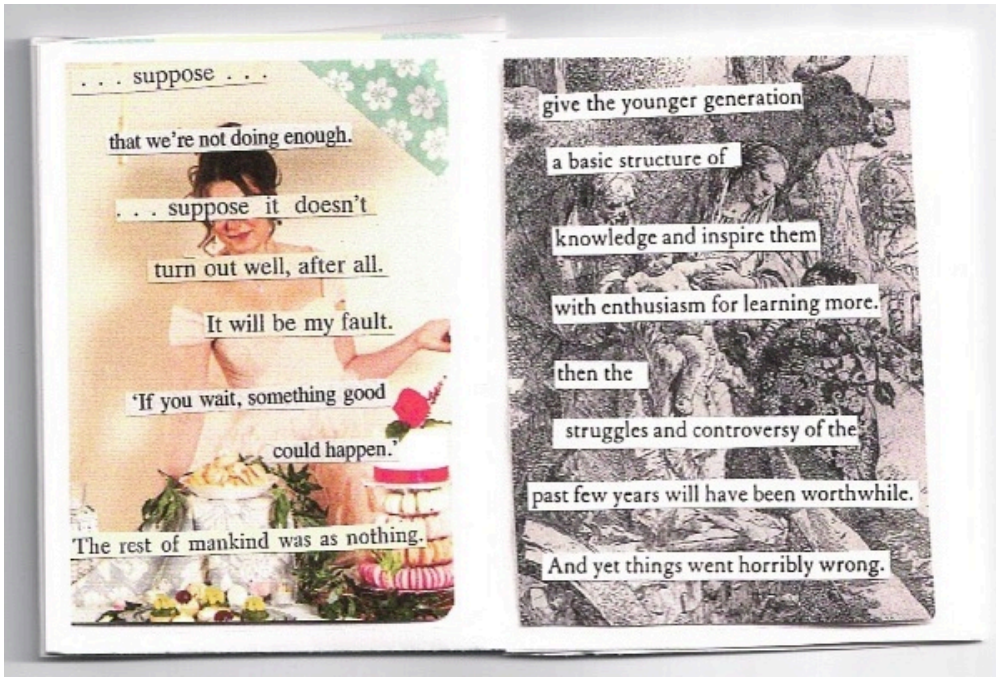
One can always work

out little problems

like that, don't you think?

the value of diversity
the common good is best served
when everyone is accepted
and respected for
who they are, and
this ultimately makes
a resilient, more harmonious
and more creative
society.

"You have to look out
for yourself, because
no one else will," he said.
Resist. Our democracy is at stake.
"In what way?"



. . . suppose . . .
that we're not doing enough.
. . . suppose it doesn't
turn out well, after all.
It will be my fault.
'If you wait, something good
could happen.'
The rest of mankind was as nothing.
give the younger generation
a basic structure of
knowledge and inspire them
with enthusiasm for learning more.
then the
struggles and controversy of the
past few years will have been worthwhile.
And yet things went horribly wrong.

Barn's burnt down
Now
I can see the moon
